#### ISLE ROYALE NATURAL HISTORY ASSOCIATION

The Isle Royale Natural History Association, in partnership with the National Park Service, promotes understanding, appreciation, and enjoyment of Isle Royale National Park and Keweenaw National Historical Park. By educating the public about these parks, we help to protect and preserve them for future generations.

We fulfill our mission by:

- Producing a variety of free publications, such as this newspaper, for distribution to park visitors and potential visitors.
- Producing educational books, videos, and posters about the parks which we sell to the public.
- ❖ Selling other educational products which are relevant to Isle Royale, the Keweenaw Peninsula, and the surrounding area. Sales are conducted through our visitor centers in Houghton and on the island, as well as by telephone, mail and website. By publishing and selling products about Isle Royale National Park and Keweenaw National Historical Park, we not only educate people about these parks, but we also raise funds which are then re-invested in the parks to support research and interpretive programs. This year the Isle Royale Natural History Association will contribute over \$14,000 to Isle Royale National Park to print this newspaper, develop exhibits, fund beaver research, and support other research and interpretive projects.

#### YOU CAN HELP...

You can support the work of Isle Royale Natural History Association and our partner parks by becoming a contributing member of our organization. Your tax-deductible contribution will help us share the stories of Isle Royale National Park and Keweenaw National Historical Park with people of all ages, around the world.
